Dear Friends & Colleagues;

I am writing today to ask you to stand together, strong and united, in support of our MP Mu Sochua in her search for justice, not only for herself, but for all women's rights and dignity.

Treasurer  
*Mr. Sokha Ly*

*Mr. Samnang Choup, Deputy*

Given the track records of Cambodian government's abuse of power, corrupted court system and the likes, MP Mu Sochua's legal rights and personal security is at high risk. We need your help and we need it now.

Membership  
*Mr. Sem Thin*

As a Cambodian-American and an elected deputy in Cambodia, MP Mu Sochua represents a true quality and all the greatness of a Cambodian woman – an example to the younger generation to follow. She has been fighting on our behalf for all her political life. She makes us proud and I for one, truly proud of her service, conviction and her dedication to the cause of human decency. She is one of us.

Human Resource  
*Mr. Sophal Kol*  
*Mr. Kim Hong Ouk*

Please join me in **sending a petition** to your local representative in your district, so that the rights and personal security of our elected MP Mu Sochua are not being compromised.
